**RESPONSE TO NOTIFICATION OF NON-COMPLIANT APPEAL BRIEF**

Sir:

In response to the Notification of Non-Compliant Appeal Brief in the above-identified patent application dated November 16, 2007, kindly enter the attached Second Substitute Appeal Brief.

Applicants have replaced the Summary of the Claimed Subject Matter in response to the Examiner's comments in Items 4 and 10 of the Notification. No new matter has been added by these changes.

Applicants have noticed that on page 6, line 24, reference character **32** should be changed to **34**. Further, FIG. 4A has three extraneous reference characters (**34e**, **34f**, and **34g**). Applicants do not believe that these minor errors effect the description of the invention, and will make these changes once allowable subject matter has been identified.

Applicants respectfully request that the Appeals Process be resumed in a timely manner.

Dated this 17th day of December 2007.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Samuel M. Freund", is written over a horizontal line.
